DOS VALLES VIEWPOINT EXCURSION

DESCRIPTION OF THE ROUTE

We will head for the Lagunillas Ski Resort, located at 2,200 meters above sea level. From this point we will start our 30-minute trek through a gentle slope leading us to a beautiful plain located at 2,425 meters above sea level, a mandatory stop where we will take a break while enjoying the stunning view of San Lorenzo Hill. From here we begin taking height to reach the peak of Morro Bayo at 2,665 meters above sea level, the highest point we will reach on the excursion having the opportunity to see different types of mountain birds, in addition to the lovely peaks around the area.

Participants

Min: 1 - Max: Not specified Children ages 12 +

Location and Season

The route is followed through the San Francisco de Lagunillas y Quillayal Sanctuary including about 14,000 Ha. and different trails. This tour can be taken at any time of the year, even in winter adding snowshoes to our trek, if necessary.

Summer time: 07:00 am. Winter time: 08:00 am

Development of the Activity

All participants, accompanied by our guides, will visit this lovely Andean Sanctuary. A guide will stay beside them all the way providing safety and relevant information about what is taking place in situ while describing the landscape.

Characteristics

- Full day
- Medium difficulty
- A pair of trekking sticks is included on loan
- A bandana and a Majadas bottle are offered as a gift.
- Snack including: 2 sandwiches prepared by the chef, a power bar or brownie, dried fruits and fruit.

Itinerary

- 17:00 Informative talk prior to the excursion
- 06:30 Breakfast
- 07:00 Departure from the hotel
- 08:00 Start of the trek
- 14:30 Return to the hotel
- 15:30 – 16:00 Arrival at the hotel

TRES ESTEROS EXCURSION

DESCRIPTION OF THE ROUTE

We will head for the San Francisco de Lagunillas y El Quillayal Sanctuary, located at 1,800 meters above sea level. From this point, we will start our trek along a beautiful trail while enjoying part of the Likan Hill geosítio (place of geological interest) where traces belonging to the Chiquillan culture have been found.

Participants

Min: 1 - Max: Not specified Children ages 12 +

Location and Season

The route is followed through the San Francisco de Lagunillas y Quillayal Sanctuary including 14,000 Ha. and different trails. You can take this tour at any time of the year, even in winter adding snowshoes to our trek, if necessary.

APAREJO VALLEY EXCURSION

DESCRIPTION OF THE ROUTE

We will head for El Yeso Valley (Valle del Yeso), a lovely mountain valley surrounded by mountains rising high above 4,000 meters above sea level. On the route we will be able to see the stunning El Yeso Reservoir (Embalse del Yeso), in addition to hanging glaciers covered with existing mountain minerals of numerous colors.

Participants

Min: 1 - Max: Not specified Children ages 12 +

Location and Season

The route is followed through a great part of the Cajón del Maipo to merge with El Yeso Valley (Valle del Yeso). We will go into this Valley for about 1 hour to arrive on foot and start our trek. It is possible to take this tour only in the spring - summer season, as the access is restricted when the first snowfalls come up due to ice and snow conditions on the route.

Development of the Activity

All participants, accompanied by our guides, will visit this lovely Andean valley. A guide will stay beside them all the way providing safety and relevant information about what is taking place in situ while describing the landscape.

Characteristics

- Full day
- Medium difficulty
- A pair of trekking sticks is included on loan

Itinerary

- 17:00 Informative talk prior to the excursion
- 06:30 Breakfast
- 07:00 Departure from the hotel
- 09:00 Start of the trek
- 14:00 Return to the hotel
- 15:00 – 16:00 Arrival at the hotel

MESÓN ALTO HORSEBACK RIDE

DESCRIPTION OF THE ROUTE

We will head for El Yeso Valley (Valle del Yeso), a lovely mountain valley surrounded by mountains rising high above 4,000 meters above sea level. We will reach The Muleteer's Grocery Store (Pulpería del Arriero). In this place, technical information about horseback rides will be provided while learning about what life is like among mountain muleteers.

The route is followed along an old and wide mining road.

Participants

Min: 1 - Max: Not specified Children ages 12 +

Location and Season

The route is followed through a great part of the Cajón del Maipo to merge with El Yeso Valley (Valle del Yeso). We will go into this valley for about 30 minutes along a paved road to end by van at the Muleteer's Grocery Store (Pulpería del Arriero), the starting point of our horseback ride. We will go through the Cortaderas Valley (Valle de las Cortaderas) ending in a lovely plain with views of Meson Alto Glacier (Glaciar Mesón Alto), El Morado Hill and others. It is possible to take this tour only in the spring - summer season, as the access is restricted when the first snowfalls come up due to ice and snow conditions on the route.

Booking at least 72 hours in advance.

Development of the Activity

All participants, accompanied by our guides and muleteers, will learn about a great part of the life among mountain muleteers, as well as getting to know much of the Cajón del Maipo geological heritage in situ. A guide and a muleteer will stay beside them all the way providing safety and relevant information about what is taking place in situ while sharing mountain tales.

Characteristics

- Full day
- Medium difficulty
- A pair of trekking sticks is included on loan
- A bandana and a Majadas bottle are offered as a gift
- Snack including: 2 sandwiches prepared by the chef, a power bar, or brownie, dried fruits and fruit.

Itinerary

- 17:00 Informative talk prior to the excursion
- 06:30 Breakfast
- 07:00 Departure from the hotel
- 08:30 Start of the trek
- 14:00 Return to the hotel
- 15:00 – 15:30 Arrival at the hotel

BLACK SNOWS GLACIER TREKKING

DESCRIPTION OF THE ROUTE

We will start the tour from our Hotel heading east, after 80 km (2 hours) we will reach the end of Colina Valley (Valle de Colina), very close to the border with Argentina where the famous Valley Hot Springs (Termas del Valle) are located. From this place we will begin our trek heading east towards the White Snows border crossing (paso fronterizo Nieves Negras). The route is followed through a marked trail providing lovely postcards, such as the mountain plains and mountains rising high above 3,500 meters above sea level. After a 3-kilometer trek, we will go over the Volcano River to finally reach the Black Snows Viewpoint (Mirador Nieves Negras), here we will enjoy the views while learning a little more about the secrets around the Andes Mountain Range.

Participants

Min.: 1 - Max: Not Specified Children ages 12 +

Location and Season

The route is followed through a great part of the Cajon del Maipo, coming very close to the border with Argentina. The starting point of the trek is around the area of the lovely Colina Hot Springs (Termas de Colina), from this place we will go along a 8-kilometer-gentle trail leading us to wide beautiful mountain plains with a full view to San José Volcano and its enormous hanging glacier. Our trek takes about two hours (just one way) considering an approximate 290-meter slope.

It is possible to take this tour only in the spring-summer season, as the access is closed due to snow conditions on the route.

Development of the Activity

All participants, accompanied by our guides, will be able to tour the trail safely leading to Black Snows Glacier (Glaciar Nieves Negras). Information about emergency procedures will be given in situ before starting our trek. In addition, short breaks will be taken in order to describe the landscape, to learn about the biotic environment as well as the vegetation level we are going through. Finally, our excursion will end at the lovely Glacier Viewpoint.

The way back takes the same route and it lasts about 1 hour and a half.

Characteristics

- Full day
- Medium-low difficulty
- A pair of trekking sticks is included on loan
- A bandana and a Majadas bottle are offered as a gift
- Snack including: 2 sandwiches prepared by the chef, a power bar, or brownie, dried fruits and fruit

Itinerary

- 17:00 Informative talk prior to the excursion
- 06:00 Breakfast
- 06:30 Departure from the hotel
- 08:00 Start of the trek
- 13:00 Return to the hotel
- 15:00 – 15:30 Arrival at the hotel

CARREÑO VALLEY TREKKING

DESCRIPTION OF THE ROUTE

We will start the tour from our Hotel heading east, after 80 km (2 hours) we will reach the end of Colina Valley (Valle de Colina), very close to the border with Argentina where the famous El Valle Hotspots (Termas del Valle) are located. From this place we will start our trek heading south towards the unknown and little visited Carreño Valley (Valle de Carreño) while enjoying lovely views of mountains rising high above 3,500 meters above sea level. Finally and after a 4.5 kilometer trek we will end our excursion at Lake Carreño (Laguna Carreño), an ancient glacial lake which has stoically withstood the passage of the years.

The way back takes the same route.

Participants

Min.: 1 - Max: Not specified

Children ages 16 +

Location and Season

The route is followed through a great part of the Cajón del Maipo coming very close to the border with Argentina. Our trek begins in the area around the beautiful Colina Hotspots (Termas de Colina). This route is in operation in the spring – summer season or until the first snowfalls come up and cover the access completely.

Summer time: 06:30 am.

Development of the Activity

All participants, accompanied by our guides, will be able to tour the route safely leading us to Carreño Valley (Valle de Carreño). Information about safety procedures will be given in situ before starting our trek. Short breaks will be taken in order to describe the landscape, learn about the biotic environment as well as the vegetation level we are going through. Finally we will reach the Lake.

The way back takes the same route and it lasts about 2 hours.

Characteristics

- Full day
- Medium difficulty
- A pair of trekking sticks is included on loan
- A bandana and a Majadas bottle are offered as a gift
- Snack including: 2 sandwiches prepared by the chef, a power bar or brownie, dried fruits and fruit.

Itinerary

- 17:00 Informative talk prior to the excursion
- 06:00 Breakfast
- 06:30 Departure from the hotel
- 08:00 Start of the trek
- 14:00 Return to the hotel
- 16:00 – 16:30 Arrival at the hotel

MARMOLEJO VIEWPOINT TREKKING

DESCRIPTION OF THE ROUTE

After leaving our Hotel, we will head to the G-25 route through the area around El Toyo, going through villages, such as San Alfonso, El Ingenio and San Gabriel. From this place we will reach a gravel road to access El Yeso Reservoir (Embalse El Yeso), (approx. 30 km). From the vicinity of El Romeral and skirting the Reservoir, we will arrive at El Yeso Valley Park (Parque Valle del Yeso) entrance, where we will begin our 6-kilometer trek as far as one of Marmolejo Hill's viewpoints. This mount rises high above 6,109 meters above sea level and it is considered to be the southernmost Six Thousand in the world. Our route provides lovely views of the Andes Mountain Range, including views of the flora and fauna that are typical of mountain height. We will go over El Yeso Stream (Estero del Valle), going through plains and starting our ascent following a trail until reaching the Viewpoint (3,200 meters above sea level). After a while, we will go down the same route while enjoying the views over El Yeso Valley (Valle del Yeso).

Participants

Min.: 1 - Max: Not specified Children ages 12 +

Location and Season

The route is followed through a great part of the Cajón del Maipo, coming very close to the Piuquenes border crossing (paso fronterizo Piuquenes). This tour takes place at El Yeso Valley Park (Parque Valle del Yeso), a private park located at 3,000 meters above sea level which is in operation non-stop usually from October when the first snowfalls come up and cover the vehicular road completely.

Development of the Activity

All participants, accompanied by our guides, will be able to tour this area safely without an established trail. Information about safety procedures will be given prior to the trek.

On the route, the surrounding area will be explored while identifying the biotic and abiotic environment, in addition to providing some historical background.

Characteristics

- Full day
- Low difficulty
- A pair of trekking sticks is included on loan
- A Bandana and a Majadas bottle are offered as a gift
- Snack including: 2 sandwiches prepared by the chef, a power bar or brownie, dried fruits and fruit.

Itinerary

- 17:00 Informative talk prior to the excursion
- 06:00 Breakfast
- 06:30 Departure from the hotel
- 08:00 Start of the trek
- 14:00 Return to the hotel
- 16:00 – 16:30 Arrival at the hotel

EL MORADO GLACIER TREKKING

DESCRIPTION OF THE ROUTE

We will start the tour from our Hotel heading for Baños Morales mountain village. On the route, we will visit different villages which fill with life the district of San José de Maipo. The route is followed through a paved vehicular road and it takes approx. 1 hour and a half by van until reaching the starting point of our trek. The route goes along a clear 7-kilometer trail on a 700-meter slope and it takes about 3 hours (just one way) until we arrive at the highest point of our excursion (3,200 meters above sea level). Here, we will be amazed by the lovely El Morado Hanging Glacier (Glaciar Colgante El Morado), a mountain rising above 4.600 meters above sea level.

The way back takes the same route and it lasts 2 hours.

Participants

Min.: 1 - Max: Not specified Children ages 16 +

Location and Season

El Morado Hanging Glacier (Glaciar Colgante El Morado) is located in the Arenas Park at 3,200 meters above sea level. You can visit this place throughout the year, provided ice conditions are safe.

In winter, we can take this tour wearing snowshoes.

Development of the Activity

All participants, accompanied by our guides, will be able to tour this area safely and following the paths established by the area administrators.

Information about safety procedures will be given prior to the trek.

On the route, the surrounding area will be explored while identifying and characterizing the existing biotic and abiotic environment.

Characteristics

- Full day
- Medium difficulty
- A pair of trekking sticks is included on loan
- A bandana and a Majadas bottle are offered as a gift
- Snack including: 2 sandwiches prepared by the chef, a power bar or brownie, dried fruits and fruit.

Itinerary

- 17:00 Informative talk prior to the excursion
- 06:30 Breakfast
- 07:30 Departure from the hotel
- 08:00 Start of the trek
- 14:00 Return to the hotel
- 16:00 – 16:30 Arrival at the hotel

DARWIN ROUTE HORSEBACK RIDE

ROUTE DESCRIPTION

As soon as we leave Las Majadas Hotel, we will head for the G-25 route through the vicinity of El Toyo, going through villages, such as San Alfonso, El Ingenio and San Gabriel. From here we will reach a gravel road to go into El Yeso Reservoir (Embalse El Yeso) (approx. 30 km). From the area around El Romeral and skirting the Reservoir, we will access El Yeso Valley Park (Parque Valle El Yeso) entrance where our horses will be waiting for us. Once we go through El Yeso Stream (Estero El Yeso) and plains, we will begin a dizzy ascent through the mythical Piuquenes Passage (Paso Piuquenes) at 4.0000 meters above sea level.

Participants

Min.: 1 - Max: Not specified

Children: not suitable

Location and Season

The route is followed through a great part of the Cajón del Maipo, until we reach El Yeso Park, (Parque El Yeso), a private park located at 3,000 meters above sea level. This park is in operation non-stop usually from October when the first snowfalls come up and cover the vehicular road completely.

Development of the Activity

All participants, accompanied by our guides and muleteers with enough mountain experience, will be able to tour this area safely. Information about safety procedures will be given prior to the horseback ride.

On the route, the surrounding area will be explored while identifying the biotic and abiotic environment, in addition to providing some historical background. This place is known worldwide as a mountain pass carried out by Charles Darwin.

Characteristics

- Full day
- High difficulty
- A pair of trekking sticks is included on loan
- A bandana and a Majadas bottle are offered as a gift
- Snack including: 2 sandwiches prepared by the chef, a power bar or brownie, dried fruits and fruit

Itinerary

- 17:00 Informative talk prior to the excursion
- 06:30 Breakfast
- 07:30 Departure from the hotel
- 08:00 Start of the trek
- 14:00 Return to the hotel
- 16:00 – 16:30 Arrival at the hotel

EL MANZANO CAVES TREKKING

DESCRIPTION OF THE ROUTE

From Las Majadas Hotel we will head for the San José de Maipo village, specifically to the area around El Manzano where we will start our excursion going through a sclerophyll forest typical of the central foothills. After 2 or 3 hours of a medium-high intensity trek, we will reach our destination: El Manzano Caves (Cuevas del Manzano), interesting rock formations that account for part of the geological history in the Cajón del Maipo.

Participants

Min.: 1 - Max: Not specified Children ages 16 +

Location and Season

This trek is carried out in the district of San José de Maipo, specifically in El Manzano village, which is located between El Manzano Stream (Estero El Manzano) and the Colorado River. It is reached by the G25 route, a paved road you can go through all the year round.

It is possible to take this tour throughout the year. In winter you can see some snow on the route as well as the high snow-covered peaks which make this path into a more attractive place.

Development of the Activity

All participants, accompanied by our guides, will be able to tour this area safely. Information about safety procedures will be given prior to the trek.

On the route, the surrounding area will be explored while identifying the existing biotic and abiotic environment, in addition to providing some historical background, such as an existing old Customs Office known as El Manzano Customs (Aduana El Manzano).

Characteristics

- Full day
- Medium-high difficulty
- A pair of trekking sticks is included on loan
- A bandana and a Majadas bottle are offered as a gift
- Snack including: 2 sandwiches prepared by the chef, a power bar or brownie, dried fruits and fruit

Itinerary

- 17:00 Informative talk prior to the excursion
- 06:30 Breakfast
- 07:00 Departure from the hotel
- 07:45 Start of the trek
- 14:30 Return to the hotel
- 15:00 – 16:00 Arrival at the hotel

MESON ALTO TREKKING

DESCRIPTION OF THE ROUTE

We will head for Yeso Valley (Valle del Yeso), a lovely mountain valley surrounded by mountains rising high above 4,000 meters above sea level until we reach the Muleteer's Grocery Store (Pulpería del Arriero). From this place we will climb up along a wide trail leading us to a beautiful view of Meson Alto Glacier, a unique landscape that accounts for the last Ice Age. After going on a 2-hour trek, we will reach wide mountain plains where we will take a break and enjoy the view while having our delicious box lunch. The way back takes the same route and it takes about 1 hour and a half to go back to the van.

Participants

Min.: 1 - Max: Not especificed Children ages 12 +

Location and Season

The route is followed through a great part of the Cajón del Maipo to merge with El Yeso Valley (Valle del Yeso). We will go into this Valley for about 30 minutes along a paved road and we will end our tour at The Muleteer's Grocery Store (Pulpería del Arriero), here we will start our trek going through Cortaderas Valley (Valle de las Cortaderas) ending in a beautiful plain overlooking Meson Alto Glacier, El Morado Hill and others. It is possible to take this tour only in the spring - summer season, as the access is restricted when the first snowfalls come up due to ice conditions.

Development of the Activity

All participants, accompanied by our guides, will be able to tour this area safely. Information about safety procedures will be given prior to the trek. On the route, the surrounding area will be explored while identifying the existing biotic and abiotic environment. Different types of valleys, glaciers and rock formations found at the Andes Mountain Range will be recognized.

Characteristics

- Full day
- Medium-low difficulty
- A pair of trekking sticks is included on loan
- A bandana and a Majadas bottle are offered as a gift
- Snack including: 2 sandwiches prepared by the chef, a power bar or brownie, dried fruits and fruit

Itinerary

- 17:00 Informative talk prior to the excursion
- 06:30 Breakfast
- 07:00 Departure from the hotel
- 08:30 Start of the trek
- 13:00 Return to the hotel
- 14:30 – 15:00 Arrival at the hotel

ACTIVE FULL DAY + LA ENGORDA VALLEY (VALLE LA ENGORDA)

DESCRIPTION OF THE ROUTE

We will head for the Cajón del Maipo going through part of the G27 route until we go over the Maipo River. From this place we will visit some of the villages that fill with life the district of San José de Maipo. We will pass by San Alfonso geositio (place of geological interest) where we will be able to describe the landscape and part of the fan-shaped formations. From this point we will head for Las Melosas, an interesting and beautiful rock formation originated from the old volcanism in the area, to continue towards the impressive waterfall known as "The Bridal Veil Falls" ("El Velo de la Novia") and later to the area around Baños Morales. In this place we will be able to see the interesting Colimapu formation, as well as a paleontological area called Lo Valdés. We will end this lovely and attractive tour in an approximate 45-minute trek heading "La Engorda" mountain range valley where we will have a lovely postcard of San José Volcano.

The way back takes the same route.

Participants

Min.: 1 - Max: Not specified

Children ages 8 +

Location and Season

The route is followed along the entire trail leading to the famous Cajón del Maipo. This tour can be taken throughout the year and it may have some access restrictions just in the area around "La Engorda" Valley (Valle "La Engorda"), due to snow conditions. After our trek to "La Engorda" Valley (Valle "La Engorda"), which is located at approximately 2,700 meters above sea level, we will reach the highest point of our tour.

The route takes the same trail.

Development of the Activity

All participants, accompanied by our guides, will know part of the Cajón del Maipo geological heritage, they will go through its valleys, and they will visit its tributaries, volcanoes and glaciers while learning about the history that took place in this district as well as in the region.

Characteristics

- Full day
- Low difficulty
- A pair of trekking sticks is included on loan
- A bandana and a Majadas bottle are offered as a gift
- Snack including: 2 sandwiches prepared by the chef, a power bar or brownie, dried fruits and fruit

Itinerary

- 17:00 Informative talk prior to the excursion
- 06:30 Breakfast
- 07:00 Departure from the hotel
- 08:45 Las Melosas-El Volcán
- 15:00 Return to the hotel
- 16:30-17:00 Arrival at the hotel

WILLIAM FEVRE PURGATORY TREKKING

ROUTE DESCRIPTION

We will head for the area around San Juan de Pirque, 9 kilometers away from Las Majadas. At this point we will come across Purgatory Hill (Cerro Purgatorio), a clear and recognizable place from several points of Santiago. Sitting on its foothills you will see William Fevre Winery, one of the many existing wineries in Pirque, being its owners who allow us to access their land having thus the opportunity to learn more about the wine-making industry of the country as well as some of the country life in the center of Chile. Our way up takes approx. 1 hour leading us to a plain which will provide nice views of the Ramon Mountain Range (Sierra de Ramón), the sclerophyll forest, the Maipo River and Maipo Valley.

Participants

Min.: 1 - Max: Not specified

Children ages 8 +

Location and Season

The route heads East along a paved road until reaching the area around San Juan de Pirque, 9 kilometers away from our Hotel. It takes about 15 minutes to reach the starting point of our trek.

It is possible to go through this route at any time of the year.

Development of the Activity

All participants, accompanied by our guides, will know part of the Cajón del Maipo geological heritage. They will go through its valleys, and they will visit its tributaries, volcanoes and glaciers while learning about the history that took place in this district as well as in the region.

Characteristics

- Half day
- Low difficulty
- A pair of trekking sticks is included on loan
- A bandana and a Majadas bottle are offered as a gift.
- Snack including: 2 sandwiches prepared by the chef, a power bar or brownie, dried fruits and fruit

Itinerary

- 17:00 Informative talk prior to the excursion
- 07:30 Breakfast
- 08:00 Departure from the hotel
- 08:15 Start of the trek
- 10:00 Return to the hotel
- 10:15-11:00 Arrival at the hotel

Sunset Itinerary

- 16:00 Informative talk prior the excursion
- 18:00 Departure from the hotel
- 18:15 Start of the trek
- 20:30 Return to the hotel
- 20:45 – 21:00 Arrival at the hotel

SANTA RITA TREKKING

DESCRIPTION OF THE ROUTE

Just 15 minutes from our Hotel we come across this mountain jewel, a beautiful landscape where we can hear typical birds of the sclerophyll forest singing and which will lead us to a lovely Pirque viewpoint. From this place you will be able to recognize some peaks of the Coastal Mountain Range (Cordillera de la Costa), in addition to iconic peaks of the Andes Mountain Range (Cordillera de Los Andes) in Santiago.

Participants

WINE TASTING

DESCRIPTION OF WINE TASTING

As Las Majadas, we wanted to offer you an activity focused on our guests so they can taste different types of vines corresponding to wineries from Maipo Valley (Valle del Maipo). This activity consists of a wine tasting guided by the Executive Director and Sommelier, Gonzalo Rojas Aguilera, who will share his knowledge with all participants by means of a wine tasting of three different vines directly provided by Las Majadas cellar.

This activity lasts approximately 2 hours.

Participants

Min.: 10 - Max: Not specified

Rates

Rates in pesos: \$40.000 + tax per person.

Rates in USD: U\$59 per person.

VISITING LAS MAJADAS TOUR

DESCRIPCIÓN DEL TOUR

It is said that a long time ago important families regarding Pirque's cultural and social development lived in this place. Detailed information about these families will be made known through our "Visiting Las Majadas" tour (Tour "Conociendo Las Majadas") given at 12:30 every day from the bar of our Hotel. This tour is totally free for our guests and for children under 5 years. For our visitors, the rate is \$10,000 for adults and \$5,000 for children up to 5 years. This activity includes a glass of juice, water or wine from our Maipo Valley (Valle del Maipo). The route is followed through our centennial park, a botanical heritage where different natural species will be made known. In addition to this, the route flows through our palace and the history embracing its construction as well as the families that lived there in former times, provided the corporate groups allow it.

Be part of one of the tours where you will be amazed by the history that bears our name, Las Majadas, and walk along the trails important people went through in former times, women in dazzling dresses and men in formal clothes which reflected all the formality of the time. Live the experience by feeling the tranquility of nature and be amazed by the imposing architecture of our palace.

CONCHA Y TORO WINERY

DESCRIPTION OF THE WINNERY

Concha yToro Winery has become the leading wine producer in Latin America. Its wine portfolio includes Don Melchor and Almaviva icons as well as its iconic brand, Casillero del Diablo, together with wines such as Trivento from Argentina and Fetzer from California.

CASA CONCHA MARQUIS TOUR

Discover the legendary Casillero del Diablo cellar and the centennial gardens of the old summer manor house which belonged to the Concha y Toro family. In addition, you can tour the beautiful garden of varieties including more than 25 wine grapes while enjoying a scenic view of Maipo Valley (Valle del Maipo). During this tour you will taste three premium wines. Once the tour is over, enjoy a guide-led wine tasting of four varieties belonging to the Casa Concha Marquis line – Concha y Toro's innovative Brand, characterized by different varieties and origins – accompanied by a fine selection of cheeses.

Min.: 1 - Max: 15

Tour duration: 1 hour 30 min.

Tour hours: 10:00 - 11:30 - 15:00 - 16:30

DON MELCHOR'S EXPERIENCE TOUR

Enjoy Don Melchor exclusive Collector's Experience, a tour to the Chilean wine-making industry excellence allowing you to explore the origins and the delicate process behind a true benchmark among the world's great wines.

It all starts with a tour through 22-hectare gardens of the summer residence belonging to Melchor de Concha y Toro, a wine-making industry visionary who founded the Winery. You will enjoy the gardens designed by a French designer called Guillaume Renner and which include species from all over the world. You will explore the historic wine cellar dating back to the mid-19th century, where Don Melchor is aged in French oak barrels. You can live the experience in the family's summer manor house, which remains true to its original style of the mid-19th century.

Min.: 1 - Max: 15

Tour duration: 90 min.

Tour hours: 10:00 - 12:00 - 16:00

EL PRINCIPAL WINNERY

DESCRIPTION OF THE WINNERY

El Principal Winery invites you to discover the best of Maipo Alto, including wines that are true to a unique terroir, where the Andes Mountain Range and Maipo Valley come together offering a wine beyond compare.

There are different types of tours which will give you the opportunity to visit our vineyards, our wine-making cellar and our wine storage.

MEMORIES TOUR

We invite you to visit the main wine cellar and the barrels room. You will learn about the wine-making, bottling and storage processes of each of our wines.

Of course all accompanied by a tasting of our "Calicanto" and "Memorias" classic wines.

Min.: 2 - Max: 10

Tour duration: 60 min.

Tour hours: to be coordinated

MEMORIES GOLD TOUR (TOUR MEMORIAS GOLD): including a "Memorias" bottle of wine as a gift

EL PRINCIPAL TOUR

Another highly requested tour is "El Principal", where you can visit our vineyards, our winery cellar and barrels room. In addition, you will have the opportunity to learn about the wine-making, bottling and storage processes of each of our wines. Enjoy a tasting of the classics from our cellars: "Calicanto", "Memorias" and "El Principal" icon

Min.: 2 - Max: 10

Tour duration: 90 min.

Tour hours: to be coordinated

EL PRINCIPAL GOLD TOUR OPTION: Including a "Memorias" bottle of wine as a gift

COUNTRY BARBECUE TOUR

In addition, so as to have a great day outside Santiago, you can enjoy a barbecue sharing with your friends and family at our classic Viewpoint. This excellent alternative offers a buffet lunch consisting of grilled meat, salad buffet and dessert.

Min.: 2 - Max: 10

Tour duration: 90 min.

Tour hours: to be coordinated

HARAS DE PIRQUE WINERY

DESCRIPTION OF THE WINNERY

Haras de Pirque is a two-passion combination: the production of fine wines and the breeding of thoroughbred horses. We invite you to visit for a day a modern and organic winery, including a cellar supported by the latest technology which reflects a true philosophy filled with excellence and quality.

HARAS DE PIRQUE TOUR

We start on the cellar's main terrace overlooking Pirque Valley (Valle de Pirque) and the majestic Andes Mountain Range. Then we tour the vineyards to discover the magic of organic viticulture in the Maipo.

A tasting of 3 different wines will be waiting for us: Albaclara Sauvignon Blanc, Hussonet Cabernet Sauvignon Gran Reserva and Red Blend Property Reserve, accompanied by pairing snacks in the spectacular tasting room inside the cellar.

Min.: 2 - Max: 10

Tour duration: 60 min.

Tour hours 12:00 / 16:00 hrs. from Mon to Sat.

ALBIS ICON TOUR

We tour every single corner of our Winery to continue tasting our best wines: Albaclara Sauvignon Blanc and Hussonet Cabernet Sauvignon Gran Reserva with pairing snacks accompanied by Albis, our exclusive icon wine. A unique experience regarding aromas and flavors in the spectacular tasting room inside the cellar.

Min.: 2 - Max: 10

Tour duration: 60 min.

Time hours: 10:30 / 14:00 hrs. from Mon to Sat.

PRIVATE ICON TOUR

We tour every single corner of our Winery to continue tasting our best wines, Albaclara Sauvignon Blanc and Hussonet Cabernet Sauvignon Gran Reserva accompanied by Albis, our exclusive icon wine. A unique experience regarding aromas and flavors in the spectacular tasting room inside the cellar.

Min.: 2 - Max: 10

Tour duration: 60 min.

Tour hours: private groups to be confirmed

BIKE TOUR

We invite you to discover and to ride through our organic vineyards, take a close look at our varieties such as: Cabernet Sauvignon, Cabernet Franc and Carmenere, and to enjoy the biodiversity of our flora and fauna.

Self-guided path, including map, bicycle, helmet and mineral water.

Min.: 1 - Max: 4

Tour duration: 60 min.

Tour hours: private groups to be confirmed. From Mont o Sat
